

## Saved by Grace

I1 (4 bars)

V1 We're saved through faith in Christ alone  
who took all our sin as his own.  
There is nothing that we could do  
To ever make us right with you.

V2 It's only by Christ's sacrifice  
that we are brought from death to life.  
It's only by your gift, your grace  
that we have faith and we are saved.

C1 We're saved, by grace, through faith in Christ alone  
We're saved, by grace, through faith in Christ alone  
all for your glory alone

V3 There is a joy within my soul  
to know my debt is paid in full.  
Although I mess up everyday  
in small and even major ways.

Jesus you've washed my sin away.  
With humble joy I give you praise  
cause I am sure that I am saved.
